Read the Introduction
A beautifully written
and powerful story that
ties the current
financial crisis to a
cycle of politics as old
as the Republic, and to
a pathology in our
politics that is as
profound as any that
our Republic has faced.

Bankers The Wall Street Takeover

lucidly and compellingly clear, the problem with Wall Street leads directly to the core problem of our democracy. American politics now feeds on money, and Wall Street is where the money is. Unless we separate money from politics, we'll never be safe from another financial meltdown. In fact, we'll never really be safe.

The authors clearly detail the causes behind the global financial credit crisis which has persisted since 2008. To the authors, the primary reason for the crisis can be traced to the policies of the most influential financial institutions in the US, broadly dubbed "the oligarchy," or the 13 Bankers.

**13 Bankers -
Wikipedia**

“13 Bankers” is a book that charts the rise to immense power of the financial sector. Compellingly, this narrative examines the reasons that, Wall Street, even during the appearance of the new world order after the enormous 2007-2009 financial crash, is the same.
