carb, rambler american Posted:
Aug/02/2015 at 6:45pm my carb needs
to be rebuilt but i'd rather swap it out
and have it rebuilt while i can get the car
running so i can sell it.

AMC Rambler Parts | Classic 2 Current Fabrication

(first posted 9/6/2011) This car made me embarrassed to be a newly minted American in the fall of 1960. We had just arrived for the unveiling of Detroit's spectacular new 1961 models, and I was in car hog-heaven. In my rambles to car dealers, the Rambler-purveyor was last, in part because of its location.

AMC Rambler Restoration Parts

The Rambler Classic is an intermediate sized automobile that was built and sold by American Motors Corporation (AMC) from the 1961 to 1966 model years. The Classic took the place of the Rambler Six and Rambler Rebel V-8 names, which were retired at the end of the 1960 model year.. Introduced a six-passenger four-door sedan and station wagon versions, additional body styles were added.

Rambler Classic - Wikipedia

Popular Mechanics wrote "seldom has a car been completely restyled as the 1961 Rambler American and yet retain the same engine, driveline, suspension

on the same unit body". All outside
sheet metal was changed, but the side
window frames remained the same as
previous models. Only the back glass
changed to conform to the new roof line.

Also available were accessory
airmattresses and insect window

screens. New for 1961, the headliners

were cushioned acoustical molded

fiberglass, replacing the

conventional fabric type. The fiberglass

was effective in deadening road noise

and insulated against summer heat and

winter cold.
