1997 yamaha Vmax XTC, this modle has rebuildable shocks. Has only 6,326 miles, studed track, that has only 500 miles on it the carbides have about 100 miles on them. the last 4 years this has only been ridden a few times, thats why i'm selling it. I bought it new in 2000, it's always been garage or enclosed trailer kept. I do have a cover for it.
