Written by Bill Phillips and based on Stephen King 's 1983 novel of the same name, the movie follows the changes in the lives of Arnie Cunningham, his friends, his family, and his teenage enemies after Arnie buys a classic Red and white 1958 Plymouth Fury named Christine, licence number COB 241, a car that seems to have a jealous, possessive personality - and a mind of its own.

**Christine (1983 film)** - **Wikipedia**

Christine is the 16th book published by Stephen King; it was his 13th novel, and the ninth novel under his own name. The book was released by Viking on 29 April 1983. The story is set in Libertyville, Pennsylvania, and tells the story of a 1958 Plymouth Fury possessed by an evil spirit.

**Christine | Stephen King Wiki | Fandom**

Christine is about so much more than a car that kills people. It is about loyalty, being a teenager, being in love, being hated, growing up, and coming out of ones shell. King has a way of using character development, metaphors, analogies, and imagery that get you through even the slower parts of his books, and this one is no exception.

**Christine - Stephen King**

Overview Stephen King's ultimate evil vehicle of terror, Christine: the frightening story of a nerdy teenager who falls in love with his vintage Plymouth Fury. It's love at first sight, but this car is no lady. Evil is alive in Libertyville.

**Christine by Stephen King, Paperback | Barnes & Noble®**

I have a real guilty-pleasure, love/love relationship with Stephen King books. I don't care how literarily unhip that is. Christine was the first big-girl book I ever read--I was in the fourth grade and we'd just moved to California. I didn't have any friends or anywhere to go yet, so I spent my days poking around in the library, like any good nerd.

For my money Christine is Stephen King's best work. A ast-paced, believable and terrifying tale of "everyday evil" that like Pet Sematary brings the thing in the closet back from your childhood memories to just outside your "grownup" bedroom door. It IS still OUTSIDE that door.
