### Le Corbusier and the Architectural Promenade - accent graphe

In 1942, Le Corbusier was the first to define the concept of architectural promenade: " Architecture is experienced as one roams about in it and walks through it...so true is this that architectural works can be divided into dead and living ones depending on whether the law of 'roaming through' has not been observed or whether on the contrary it has been brilliantly obeyed.

### Architectural Promenade - Architecture, Planning, Interior ...

Flora Samuel has played a major role in developing this position, not least in Le Corbusier: Architect and Feminist (2004). Her new book stretches the argument further than it has gone before. The first part of the book recaps Samuel's earlier writings to re-establish the validity of the mystical Corb.
