Curating At The Edge Artists

In Curating at the Edge, Kate Bonansinga brings to life her experiences as the Rubin's founding director, giving voice to a curatorial approach that reaches far beyond the limited scope of "border art" or Chicano art. Instead, Bonansinga captures the creative climate of 2004-2011, when contemporary art addressed broad notions of destruction and transformation, irony and subversion, gender and identity, and the impact of location on politics.

In a museum, gallery, or similar arts setting, curating is the act of selecting, organizing, and presenting objects for display. Typically, the artwork is cared for by a curator—a specialist responsible for curating—and consists of work from an institution's permanent collection, though it is common for loaned artworks to also be curated for special exhibitions.
