Dictionary of Banking Terms does not have a search function that takes you to the entry you need. For example, I searched on "Trust". My results were not the just the dictionary entry for Trust. I got a list of every occurrence of the word "Trust" in the entire work. This is hardly a desirable feature for an e-dictionary.

The changes in the banking industry over the last decade have spawned a greatly expanded vocabulary, and "Barron's Business Guides" has responded with a dictionary which will be of great service to bankers, business and management professionals, attorneys, investors, and librarians. The diminutive size of the book (4 3/16 x 7) belies its breadth.
