### Exercise Reminder Clock (by Team J.A.N.): Final Documentation

Reminder ahead of due date Before an invoice is due, you should send your client an email detailing all the required information that is necessary for payment on time. It's a good idea to do this at this point so that you don't get forgotten about.

### Free Overdue Payment Reminder Template | Fluidly

The point of the final notice is to let the delinquent client know you are no longer going to work with them to resolve payment as the account is being forwarded to a collections company. It is your last formal communication, and in many cases, signifies that the business relationship is finished.

### The Final Notice: The Most Important Document Before Debt ...

The final step in creating a friendly email reminder is to close your message. You'll do that with one last sentence and your email signature. Your final sentence should reflect the tone of the rest of your email. If you used a formal tone throughout the email, you should close on a formal note as well.

### How to Write a Friendly Reminder Email (Using Best Practices)

If it's a second or third reminder, be strictly professional but assertive, stating how urgent the matter is, and if it's a final reminder, refer to the previous letters and the date which they were written, asking for payment. Tell the customer of the consequences should they fail to make the payment.

### **Payment Reminder Letter Format (16+ Samples & Examples)**

The final part of your reminder email is the closing message. There is no need to make this part too lengthy. In fact, one meaningful sentence will already suffice. If you adopted a formal tone in the prior parts, then you have to do the same in the closing message. Conversely, if you started informally, then do so likewise.
