training pathway, envisaging that doctors would move seamlessly between foundation years (F1 and F2) and specialty training. There has been a steady decline in the number of doctors doing so, from 83% in 2010 2 to 42.6% in 2017. 3 The year following F2, away from the UK training pathway, is informally termed an 'F3' year.

Why are UK junior doctors taking time out of training and

...

ensure both of these standards meet General Medical Council (GMC)/Postgraduate Medical Education Training Board (PMETB) and relevant RCP standards. The RCP college tutor will always chair the local medicine LFG. The chair automatically sits on that Trust Local Academic Board as well as on the regional Deanery School of Medicine committee.
