The design of the annual report needed to reflect all of these characteristics, all while making the information easily accessible. The use of ample white space, combined with the sans-serif typography, creates a design that is elegant and modern. The occasional use of italics and horizontal red lines help create

Graphis Annual Reports 7

From 1952 to 1986, the Swiss design powerhouse Graphis published a yearly volume under the title Graphis Annual, presenting a survey of graphic design work from the past year. These 35 volumes highlight some of the most impressive and innovative design work that was being done in advertising globally during that period.
