JavaScript: The Good Parts: Douglas Crockford ...

Douglas Crockford has the idea to highlight the good part of the language but also to warn the unsuspecting programmers of its bad parts. He deliberately select a subset of the language and put it into a small book.

While this is a commendable approach. JavaScript is a language of great

Overview Most
programming
languages contain
good and bad parts,
but JavaScript has
more than its share of
the bad, having been
developed and
released in a hurry
before it could be
refined.
