### Psychodynamic approaches to violence | BJPsych Advances ...

You do have psychological violence, that is, any time that an agent voluntarily inflicts some psychological distress on an agent. Psychological violence is compatible with physical violence or verbal violence. The damage done to a person that has been the victim of a sexual assault is not only the damage deriving from the physical injuries to her or his body; the psychological trauma the event may provoke is part and parcel of the violence perpetrated, which is a psychological sort of violence.

### What Is Psychological Violence? - ThoughtCo

A more nuanced understanding of the phenomenon of domestic violence is obscured by two crucial factors: first, there is an initial clinical focus on the reality of significant external obstacles to terminating these often intense bonds – even in the face of foreseeable danger to the victim and children; second, and perhaps more limiting, are psychoanalytically based assumptions about “characterological masochism” that often reflect simplistic, moralistic, misogynistic assumptions about ...

### A psychoanalytic perspective on victims of domestic ...

Psychoanalytic concepts such as acting out, containment, transference and countertransference will be explored in relation to understanding the causes and consequences of violence within this framework . A psychodynamic approach to aggression and violence may help to inform risk assessment and therapeutic interventions for violent individuals.
