Minnie Maud is an eating disorder recovery method developed by Gwyneth Olwyn. It has since been rebranded as the Homeodynamic Recovery Method. The website with all of the pertinent information can be found here. What follows is my own analysis of the method and a brief overview of my successes with it.

Minnie Maud Recovery - Ladle By Ladle

Kerrie was 33 years old and managing her career and motherhood when she finally embarked on recovery from her eating disorder. Through the evidence-based approach explained in the foreword by Gwyneth Olwyn, author of Recover from Eating Disorders: Homeodynamic Recovery Method, Kerrie underwent a physical and psychological overhaul. She contended with the unexpected ballooning of her body and prolonged exhaustion and pain in her limbs.

Eating Disorder Recovery | Kerrie Baldwin

This is why I recommend following the MinnieMaud Calories Guidelines, or as it is called now – the Homeodynamic Recovery Method (HDRM) (7). Because, if I just say “eat as much as you want” many end up eating too little, consciously or unconsciously restricting their intake. 2000 calories a day is not enough to recover from and eating disorder (8).

Overshooting Set Point Weight In Eating Disorder Recovery

Recovery from an eating disorder can be a long process that requires not only a qualified team of professionals, but also the love and support of family and friends. It is not uncommon for someone who suffers with an eating disorder to feel uncertain about their progress or for their loved-ones to feel disengaged from the treatment process.

Stages of Recovery | National Eating Disorders Association

In fact the Homeodynamic Recovery Method Guidelines have intake levels that are only applicable to those who are specifically not recovery from an eating disorder. The issue is not whether you are clinically underweight or not. The issue is whether you are underweight relative to what your body deems is your optimal weight set point.

I have a question. I'm currently pursuing recovery with the help of my therapist. I'm wondering though, does anyone have any experience with Minnie Maud or the Homeodynamic Recovery Method? I hear a lot of different information about it. Some people've found a lot of success with it's unrestricted method of recovery, set point theory, etc.
