Chris Leben is a ten-year veteran of the Ultimate Fighting Championship. While growing up in Portland, Oregon, he became interested in mixed martial arts at an early age. After being a participant on first season of The Ultimate Fighter, Leben went on to put together a 22-12 record and become a fan favorite before retiring in January 2014.

### **Chris Leben**

This book is a brutally candid account of The Crippler's childhood, his fighting life inside and out of the cage, his often toxic relationships with people and his need for validation. Barely literate to this day, Chris collaborated with Daniel Patinkin who wrote this and was so moved by the time they spent together that he was inspired to write an afterword for the book.
