### THE FISH SUPPER - McKee

Fish and chips is a hot dish consisting of fried fish in batter served with chips. The dish originated in England and is an example of culinary fusion, as its two main ingredients were introduced by immigrants. Fish and chips is a common take-away food in the United Kingdom and numerous other countries, particularly in English-speaking and Commonwealth nations. Fish and chips first appeared in the UK in the 1860s, and by 1910, there were over 25,000 fish and chip shops across the UK. By the 1930

The 'Fish Supper' consists of fish (commonly haddock in Scotland) deep fried in batter with chips purchased from a 'Chip shop'. It is traditionally served wrapped first in brown paper, then in newspaper in order that the food should retain its heat on the customer's journey home. This is more than a foodstuff in Scotland - it is truly a tradition.
