The Impulse Society: America in the Age of Instant ...

Paul Roberts labels this narcissism, and the related self-absorption, self-centeredness and self-indulgence as the "Impulse Society", and explores in his book of this title how our society has become hyper-impulsive, with individuals demanding instant self-gratification regardless of the consequences and impact.

The Impulse Society: America in the Age of Instant ...

The Impulse Society compels us to reexamine what it is that we really want. " – Elizabeth Kolbert, author of The Sixth Extinction, "The Impulse Society is a book that taps into a sense that we're all adrift -- and finds that technological, economic, and social change has caused us to lose the community that had anchored us. A society that tries to give (and sell) each of us everything we want, Roberts writes, is a society nobody wants.

The Impulse Society: America in the Age of Instant ...

Description. Paul Roberts' galvanizing, sweeping social critique of our Impulse Society is now available in paperback. More timely than ever, the book confronts a world where business shamelessly seeks the fastest reward, regardless of the long-term social costs; where political leaders reflexively choose short-term fixes over broad, sustainable social progress; where individuals feel ...

The Impulse Society : America in the Age of Instant ...

In The Impulse Society, Roberts shows how that self-destructive pattern has grown so pervasive that anxiety and emptiness are becoming embedded in our national character. Yet it is in this unease...

The Impulse Society: America in the Age of Instant ...

At the heart of The Impulse Society is an urgent, powerful story: how the pursuit of short-term self-gratification, once scorned as a sign of personal weakness, became the default principle not only for individuals, but for all sectors of our society. Drawing on the latest research in economics, psychology, political philosophy, and business management, Paul Roberts shows how a potent combination of rapidly advancing technologies, corrupted ideologies, and bottom-line business ethics has ...

The Impulse Society: America in the Age of Instant Gratification (2014) In 2014, Roberts published his third book, titled The Impulse Society: America in the Age of Instant Gratification. The book was described by Elizabeth Gilbert as "tracing the country's many, disparate ills to the same source: as a nation, we've abandoned the common good. His analysis is smart, provocative, and timely.

Paul Roberts (author) - Wikipedia

The Impulse Society | Paul Roberts' galvanizing, sweeping social critique of our Impulse Society confronts a world where business shamelessly seeks the fastest reward, regardless of the long-term social costs; where political leaders reflexively choose short-term fixes over broad, sustainable social progress; where individuals feel increasingly exploited by a marketplace obsessed with our private cravings but oblivious to our spiritual well-being or the larger needs of our families and ...

The Impulse Society by Paul Roberts - Books-A-Million

The Impulse Society is an ambitious, audacious work that gathers together a series of familiar, but seemingly disparate stories into a single master narrative for our troubled times. Central here: how our entire socioeconomic system has become one giant engine devoted to the selfish, short-term impulses of individuals, CEOs and politicians - while ignoring the pressing, long-term needs of society.

Summary and reviews of The Impulse Society by Paul Roberts

The American Temperance Society had more than 200,000 members by the 1830s, and alcohol consumption fell dramatically. In addition to temperance, activists promoted changes in education. Reformers such as Horace Mann, a legislator from Massachusetts who oversaw the first Board of Education in the nation, were instrumental in reorganizing the ...

The Reform Impulse - Annenberg Learner

Paul Robert's "The Impulse Society" is one of the most interesting and intellectually satisfying non-fiction books I have engaged in the last year. Roberts begins with the premise that modern day American society is built on the need for immediate gratification from our consumer behaviors, social interactions, business practices, and political preferences.

The Impulse Society (Audiobook) by Paul Roberts | Audible.com

Much of "The Impulse Society" is a history of the run-up to the financial collapse of 2008. A long-term deterioration of morale was necessary to open the financial market to devices of toxic...
