The Soccer Tribe

This is a scientific study of the game of football where the game is compared to a tribe. Most of the examples are from the English football leagues. The book has plenty of pictures to illustrate authors various arguments. I think the analogy with a tribe sticks very well as by the end of the book I was convinced beyond all doubts.

The Soccer Tribe and socio-biology, in other words, present a totalizing account of human behavior that ignores the dynamism of culture. Women's soccer is a key counter-example. If soccer is a male warrior ritual to satisfy our hunting and fighting brain modules, what to make of women's soccer and women fans?
