### Wills And Probate

Most people think of probate as involving a will. If a person dies and leaves a will, then probate is required to implement the provisions of that will. However, a probate process also can happen if a person dies without a will and has property that needs to be distributed under the state intestacy law (the law of inheritance).

### Do All Wills Need to Go Through Probate? | LegalZoom

Probate records include wills, estate inventories, letters of administration, and other documents relating to the administration and settlement of deceased persons' estates. These records contain information on the property of decedents, the identity and relationships of heirs, and legal actions taken to prove wills and settle estates.

It's often better if siblings agree that one of them will serve as personal representative, and will keep the others well informed about the probate court proceeding. Tip: If you think you should be the executor, talk to your parents about naming you in their wills. Or if you're a parent making your will, name the child you think is most responsible and conscientious; don't name all your kids unless you truly think it's best for all of them to serve as co-executors.
